

SINCE 1967

AFRIC AZOTE

FISHMEAL & OIL

WHO ARE WE ?

Afric Azote , a Senegalese company specialized in fish meal and fish oil production , stands as a pioneer and leader in its field with over 50 years of experience . Founded in 1967 , the company 's origins lie in addressing the challenges of recycling fish processing unit 's by -products , showcasing its commitment to sustainability from the onset . Over the years , Afric Azote has expanded its operations significantly , establishing a strong presence in European , Asian , and African markets .

The company 's success can be attributed to several factors , including its strategic location in Dakar , providing easy access to raw materials . Additionally , Afric Azote places a premium on delivering high - quality products and exceptional customer service , further solidifying its position as a key player in the fish by -products processing industry .

RESPECTING AND PROTECTING THE ENVIRONMENT

Afric Azote , committed to preserving aquatic resources , recycles fish by -products from canneries and other fish processing units . These by -products , though often discarded , offer opportunities for additional value and improves the sector 's profitability .

WHY CHOOSE US ?

EXPERIENCE

For decades , we have perfected the art of producing premium fishmeal and fish oil , earning the trust of aquaculture and animal feed industries worldwide . Our deep understanding of sustainable fishing practices and processing techniques ensures consistent quality and optimal nutritional value .

Our commitment to quality extends to every stage of production . Our fishmeal and fish oil undergo stringent quality control measures to guarantee the quality nutritional content

QUALITY

SUPPLY

We maintain a transparent and sustainable supply chain , working closely with the ministry of fishery and adhering to strict traceability programs . This ensures the ethical and environmentally responsible sourcing of our raw materials , promoting the long - term health of our oceans .
